→ Life4Mobile

A game almost as complex and fascinating as life itself - you can't win or lose, the way is the goal! Though there are just a few very simple rules, the events in the world of Life are unpredictable and always new. Discover the scientist inside of you - with Life4Mobile, your pocket size laboratory. Get it now on your mobile phone!

- First mobile adaption of Conway's "Game of Life"
- Rule based simulation (3 rule sets integrated)
- 3 different UI-Designs
- Ergonomically styled and sized user interface
- Integrated preloadable Object Catalog (120 objects)
- 6 slots for load and save screens
- Comprehensive instructions and background information
